Gentlemen:

Our estimator has reviewed the construction plans with Lee Mining personel on the affiliated project near Eureka, Utah. We are submitting a firm bid of \$10,000.00 to restore the site, which includes all of the following operations:

- A. Removal of structures and equipment, buildings.
- B. Removal of trash and extraneous debris.
- C. Regrading and recontouring of waste rock and waste disposal sites, tailings and sediment ponds. Diversions and areas of critical grade.
- D. Safety.
- E. Foundation elimination and transportation corridor reclamation.
- F. Monitoring.
- G. Site specific varations from aesthetic cost.

We feel that the above dollar amount will adequately achieve restoration of the site.

Sincerely,

Mildred Freiday
